## Parents As Teachers Missouri Curriculum Partner

The Parents As Teachers program has taken on some changes for the 2022-23 school year. We will still use the Parents As Teachers National Center curriculum but it has been streamlined to better serve the families of Missouri. They have changed the Missouri's name to Parents as Teachers Missouri Curriculum Partner and is under the Early Childhood Development Act (ECDA).

We hope to increase parents' confidence and parenting skills. Parents can then better support their children's education and development so their children will be safe, healthy, and ready to learn before and after kindergarten entry. The results from periodic developmental screenings can increase parents' understanding of their children's progress, as well as inform them of any possible delays. When developmental delays can be addressed through early intervention, children are more likely to be ready for school. The parent education and developmental screening program was created by the ECDA and is designed to prepare children, families, schools, and communities toward school readiness.

The four components of the program:

- (1) family personal visits
- (2) developmental screenings
- (3) group connections,
- (4) a resource network. These components are integral in supporting school readiness.

The program promotes early learning, knowledge and understanding of child development, partnerships between families and schools, and access to community resources. These opportunities assist families with a smooth transition into preschool and kindergarten, which support school readiness.

If you would like to enroll your child/children in our program, please contact Janie Wood at 660-244-5035 (school), [jwood@linnr1.k12.mo.us](mailto:jwood@linnr1.k12.mo.us) (email) or on Facebook.

We will be having **Popsicles on the Playground** to kick off the 2022-23 school year. It will be held during the **open house on August 22, 2022 10 am-6 pm on the Preschool Playground** at Linn County R-1. Come and visit the school anytime during those hours. During that time, everyone is invited to tour the building and check out the classrooms. This is a great opportunity for parents and students to meet the teachers and to see the classrooms. The students are encouraged to bring their school supplies that evening so they can be ready for the first day of school. We hope to see you at Open House.

### **Senior Orientation**

Senior Orientation will be held the day of Open House on Monday, August 22nd at 5:00 pm in Room 1. All Seniors and parents are encouraged to attend. We will be discussing numerous topics that will take place during your student's senior year---scholarships, college visits, test scores, college interest, career outlooks, etc.

### **Freshmen Orientation**

Freshmen Orientation will be held the day of Open House on Monday, August 22nd at 5:30 pm in Room 1. All Freshmen and their parents are encouraged to attend. We will be discussing graduation requirements and A+ requirements and guidelines for participation in the A+ program. ### **Required Papers to Participate in MSHSAA Recognized Activities and Drug — Testing Policy**

Instead of an athletic meeting this year, the drug testing policy and concussion information will be included in each student's beginning of the year informational folder. Please review all of the materials and sign and return all necessary forms. It will be mandatory that all forms are signed by a parent/guardian and the student and turned in before a student will be allowed to participate in a competition. The student may practice without the forms being turned in but will not be allowed to participate in competitions. This information pertains to students and parents of students who will

be participating in any MSHSAA recognized activity (all sports, cheerleading, Band contests, Choir contests, Academic Bowl, A+) during the 2022-2023 school year.

### **Elementary Handbook, Secondary Handbook and Athletic Handbook**

Our school district is asking that you use the District web page ([www.linnr1.k12.mo.us](http://www.linnr1.k12.mo.us)) to review the elementary, secondary, and athletic handbooks. To view the handbooks, click on the District information tab at the top of the page, then click on handbooks and then click on the name of the handbook(s) that you wish to view. Once you view the handbook(s), you will be able to sign one form that is being sent home in the first of the year folders stating that you have read and understand the handbook(s). If you do not have access to the web or you would like to have a hard copy of the handbook(s) sent to you, we can do that. On the form in the first of the year folders just check the line of the handbook(s) that you would like a copy of and return the form to the office and we will send it home to you.

### **VoTech Information**

For those Juniors and Seniors who are enrolled in VoTech at Brookfield, the first day of school is Monday, August 22nd . A letter with more details will be mailed to each student attending during the second week of August. The letter will include information about the bus schedule and other important details.

### **ACADEMIC OPTIONS ----**

#### **First Semester Fall 2022**

We have found that most families want their children to continue in person learning, but some prefer an online option because of the COVID-19 pandemic. If you have questions or need help, call us at 660-244-5035. You must sign up for the online option by **TUESDAY, AUGUST 16TH** to allow us time to plan for class enrollments. **Please call the school by Tuesday, August 16th if you would like your student(s) to be considered for the online option.** If we do not hear from you by August 16th, we will plan for your child to attend school in person.

**Online Learning:** Students who choose not to return in person will use our Linn County Online option. This is an online-only option we are offering for students from across the Linn County R-1 School District. It will include an online educational platform provided by out of District educators. These students will not be on campus during the school day for activities like celebrations or participation in athletic events.  
–Students will be considered full time Linn County R-1 students  
–Parents and students will communicate with Educere educators  
–Students will not be permitted to participate in extracurricular activities  
–Students will be committed to online learning for an entire semester (August - December)
