How-To Presentation

Thank you to Brenda Small for bringing Nash to school for Gracie's How-To presentation in Mrs. Sayre's Communication Arts 1 class. Everyone enjoyed Nash and his many tricks!

Elementary Respectful Students

Kindergarten - Harper is always sitting quietly, helping others, following the rules, and working her hardest. When asked for some things she does it without any complaining!

1st Grade - Myrah uses her manners and is very helpful and polite. She raises her hand and is good about waiting her turn.
2nd Grade - Jayla is very respectful of her classmates and others in the building. She listens attentively and does not interrupt others in her group. She waits for instructions to be given before raising her hand to ask questions and waits patiently to be called in. She stands quietly in the hallway to be respectful of the other teachers in the building.

3rd Grade - Karson always shows respect in his words and actions. One time this month, Karson helped a classmate in a respectful manner.

4th Grade - Troy always shows respect when talking to all teachers. He does not hesitate to do anything that is asked of him.

5th Grade - Aubriana shows respect to other students by listening to them and not interrupting them when they are speaking. She also shows respect by allowing other students to share their opinions.

PE update

It has been a great start to the 2023 year in PE. Elementary students have been working on basic gymnastic skills such as forward rolls on the wedge mat and the proper steps to perform cart wheels. Elementary PE has also been learning about the importance of balance while checking off a body balance sheet. High school and junior high PE classes have been learning a variety of games that involve using offensive and defensive techniques. Junior high students have also worked within small groups to create class workouts. The student lead workouts must meet a criteria that was provided and each group must be able to identify the muscles that they are targeting with the exercise.

As many of you may know by now, I will be retiring from my position as the PreK-12 Principal at the end of the 2022-2023 contract year. After 31 years in Education with 26 of those years being at Linn County R1, I have done a lot of reflecting and over those years I have learned so much from so many people. I have been blessed to have had a variety of experiences, some good and some not so good, but all of those experiences have given me the opportunity to grow and become the person that I am today and for that I am appreciative. I look back and even though throughout the years I have questioned myself as to why I do what I do, I know that I would not change it for anything.

This school has been my second home. I've spent a lot of days and a lot of hours in this building with students and have so many good memories. I feel very privileged to have worked with so many students and families and I can only hope that I have positively influenced many lives throughout my career. We have a great school, with a stable faculty, really great students, parents and community. I will definitely miss the daily communications with my co-workers and the students.

Thank you to all the faculty, students, parents and community members that have touched my life over the years. I am deeply appreciative of the support that has been shown to me throughout my career. I wish the best in the years to come to all of the Linn County R1 students, faculty and staff. My husband and I were fortunate enough to raise our children in this school which I am very proud of and I am honored to be ending my career here. Once a Mustang, Forever a Mustang!

Sincerely,

Mrs. Gray

Dear Linn County R-1 Communities, It is a privilege and honor to introduce myself as the incoming K-12 Principal for the Linn County R-1 School District. Linn County R-1 has a longstanding tradition of strong, devoted leadership, and I fully intend to carry that tradition into the coming years.

To start, I am a devoted father, husband, and family man. My wife McKenzie and I have been married for 12 years. Together we have four children. Our daughters are Parker (12) and Everleigh Jo (7 months). Our sons are Gavin (11) and Beckett (8). My wife is a devoted and amazing educator who has served as a teacher and coach for the last eight years.

I was hired at Linn County as the At-Risk and Social Studies teacher for the 2022-2023 school year. I also served as the Junior High Boys Basketball coach and have served as the Varsity Boys and Girls Assistant Coach. Before I came to Linn County, I served as the Social Studies teacher and as a cross country, basketball, and track coach at La Plata R-II in La Plata, Mo for three years.

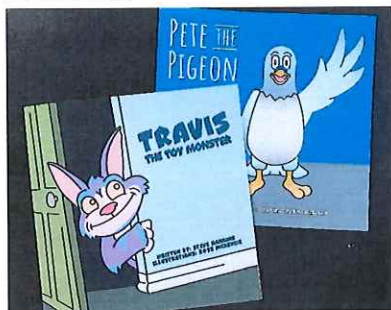

In my time at Linn County R-1, I have had the opportunity to build positive relationships with staff, students, parents, and many community members. I genuinely love working in and being a part of a district where the teachers enjoy, take pride in, and are dedicated to improving the lives of our youth.

I look forward to becoming a part of the community and serving as the Linn County R-1 Principal.

Thank you,

Mr. Devin Shrum

Purdin, MO ~ 150th Year Sesquicentennial

This year in 2023, we will be celebrating the City of Purdin 150th anniversary. The Purdin Fall Festival committee would like to ask for some help gathering recipes from the community, which we hope to include the past and present families near and far. All proceeds from the cookbook sales will go to the Purdin Fall Festival and the Purdin Community.

Previously the Purdin Community was able to put together cookbooks in 1998 and 2008. We would like to continue this and include it in our 150th year celebration. Many of you have the previous cookbooks, please pass on to us the recipes that you would like for us to carry over into this year's book. We would love to have the combination of "Old" and "New".

We would love to have some family history on the recipes you are submitting. For example, include your name, then include your grandmother/grandfather's name where the recipe was passed down from or you may include a maiden name.

Our goal is to get the cookbook to our publisher by the end of March 2023. Please send your recipes to:

- Sandy Hollon – Email to sandy.ghag@gmail.com or mail to:
19970 Flag Rd – Purdin, MO 64674 or call 660.349.8447 for blank cards.
- Reach out to Brandi (Biggs) Hanson, Carol Smith, or Sandy Hollon and we can arrange to get the recipes picked up.
- Or mail to Purdin Community Ctr – PO Box 114 – Purdin, MO 64674
- Blank recipe pages will be available at the Bank of Purdin.

We would like to have all recipes turned in by March 1st.

Thank you from all the Purdin Fall Festival & Purdin Community committee members.
