# News from Mrs. Gray

## Christmas Program

The elementary Christmas program was held on Tuesday, December 17th. Miss Phinney and the elementary students worked very hard to prepare for the program. Their hard work paid off. The program was a huge success! Congratulations to all of them. Thank you to everyone that was able to come out and support the program. We appreciated your attendance.

## Christmas Parties

This year the elementary students traveled to Brookfield to go Christmas caroling at a couple of nursing homes and to watch a movie and we had a great time. The MS/HS school students participated in different rotations of learning stations during the morning and rotations of movies and games during the afternoon.

## Christmas Raffle

The elementary students, faculty, and staff would like to thank everyone that supported our Christmas Raffle by buying raffle tickets and/or by donating an item for the raffle. This money goes toward different activities and rewards for the elementary students throughout the year. We really appreciate your support.

**Wow, the first semester went by fast and now we are looking at starting the second semester. Grade cards will be mailed out sometime during the week of January 6th.**

**The Middle School/High School Christmas program was very successful. I was very pleased with the concert that the band and choir put on. It is obvious that Miss Phinney has been working hard with the students.**

**The basketball teams are finished for the 2019 school year. They will open up the 2020 season with a game at Bruinswick on January 7th. The week of January 13th the teams will play in the Milan Tournament.**

**I wish everyone a great Christmas Holiday. Be extra careful when traveling and we will see all of the students back to school on January 7th.**

## Winter Weather Information

Winter weather is upon us and with that in mind it is in our best interest to keep our staff and students safe. The most effective way to stay up to date is to sign up with the “**MUSTANG ALERTS**”. This is the school’s text message service that is sent out when school is cancelled or in an event of an early dismissal. You can sign up for the text alerts from the school homepage. If you need help signing up, please contact the school.

The district will still call the **selected radio stations** at the bottom of the page. Remember, this is a big district with long bus routes and we have the safety of all of the students as our primary interest. Please have plans in place as to where you want your children to go in case we do let out early and you are at work. Do they know what to do? Does the school know what they are supposed to do? Do they need to ride a different bus, go to a different house, or stay with a friend? In the excitement of letting out early, it is hard to get to all of the phone calls that come in, so please make your plans now. In the case of small children, please let us know what the plans are so that we can insure that the students go where they are supposed to. It is much easier to have these plans ahead of time so the phone lines are not being used to make arrangements during early dismissals.

Stations that we will be announcing on: **KZBK Brookfield - AM 1470 FM 96.9 & KDWD Marceline – FM 99.1**

## FFA “Christmas Wonderland”

A committee of FFA members planned and executed a spectacular Christmas Wonderland for the elementary students and members of Linn County Senate Bill 40. Cookie decorating, ornament making, snowflake making, reindeer rides, hot chocolate and cookies while Mrs. Claus read, bean bag toss, and pictures with Santa were some of the highlights for the students.
