Testing Treasures

As everyone knows we test students!! In K-8, we test students on i-ready three times a year; in the fall, in the winter, and in the spring. This test helps students prepare for the end of year state testing in the spring. The data from this test helps the teachers to form groups for Title I and classroom groups. We have finished the state testing and I-ready benchmarks. As we review our data, everyone did a great job of improving! So, we would like to give a shout out to students that showed the most growth from the first of the year to the end of the year.

Most Improved In Reading:

Washington D.C. Trip

Kathryn O’Kane, Lindsey Kingsolver and all students on the Washington trip send a BIG THANK YOU! The trip was educational, enjoyable, and wet. But even with the inclement weather students were upbeat, enthusiastic, and courteous. They learned information about our capital and also participated in some interesting interactive exhibits. Along with learning that umbrellas have a short lifespan and that bus rides can be real long! Some of the sites included Mount Vernon, Holocaust Museum, traversing the metro, and the Capitol tour. The guide at the Capitol was fabulous. Thank you parents for this wonderful adventure.

Substitute Bus Drivers Needed

Linn County R-I is in need of substitute bus drivers. If you are aware of anyone that would be of interest please have them contact Mr. Livingston at 244-5045.

Substitute drivers are paid based upon the number of times that they drive a bus. While the frequency of driving can vary, it is a nice additional source of income that works well for farmers, stay at home mom’s, and self-employed individuals who are free to drive on a flexible schedule.

Substitute bus drivers are typically the first in line when a new permanent bus driver is hired. So being a substitute driver can lead to a more permanent position if desired.

Drivers must be 21 years of age, and be able to receive a CDL license with the Class “S” endorsement, and pass a physical examination. The district will reimburse individuals for the time related to taking the driving test, will pay for the costs of the driving test, the criminal background check and the physical, In addition the district will provide assistance in studying for the driving test .

A school bus driver has a unique relationship with the students. It is an important responsible position that can not be left to just anyone. We need strong community members to help in this important educational role. For application or more information call 244-5045.
