VOLUME 204

March 2013

Linn Co. Student Excels in Shooting Competition

Anthony McCollum, 16 of Shelby, MO is out to make a name for himself. Anthony is the son of Bob and Deneise McCollum. He is a member of the Shelby 4-H Club and attends the Linn County R-1 School. Anthony will be attending the 2013 National Invitational Junior Olympics Championship in Colorado Springs, CO in April to shoot .22 sport pistol. Shooting is his passion. It began when he was 8 while shooting archery in 4-H. With each new year in 4-H and each new shooting sport he tried, it was evident he would go far. Last June, Anthony broke a national record in muzzleloading while in Nebraska at the National 4-H competition. As well as this record, his team tied two state records. He also came home as the 1st place individual in the nation. During the fall, Anthony tried out and made the state 4-H team to once again participate in the national competition in June. This time in .22 pistol. Although this is honor enough, it wasn't enough for him. Anthony set a goal for himself to make it to the Summer Olympics in either 2016 or 2020. As a way to see how he could do against tougher competition, he decided to attend a junior Olympic tryout on January 6th. During his tryout, he was hoping to find out just how much different the Olympics were from 4-H, so he could prepare. However, at the end of the day, he placed 1st in the MO division. This opportunity is going to give him a boost in pursuing his goal for the real Olympics. With the Junior Olympics fastly approaching and the National 4-H shoot shortly behind, Anthony spends hours practicing. Anthony will be shooting on April 5th against other young, talented individuals from across the nation.

Senior Spotlight

*"Whoever said winning isn't everything,
probably lost!"*

Activities:

Baseball, Basketball, Student Council President, NHS

Describe Yourself Using three Adjectives:

Charismatic, Stunning, Confident

Future Plans & Goals:

Play college baseball and then play in the MLB.

What's your favorite thing about Linn County?

The sports. My senior year has been crazy competitive, not only the other teams, but on our very own.

Who at Linn Co. influenced you the most and why?

Joel Fields because he continually pushes me to go above and beyond, even when I don't want to.

Joshua James Lee Allen

"The Impossible often has a kind of integrity which the merely improbable lack."
-Douglas Adams

Bryar Thomas Bookout

Activities:

FFA, Baseball, Basketball, Track

Describe Yourself Using three Adjectives:

Athletic, Smart, Shy

Future Plans & Goals:

Go to Northwest Missouri State University and get my degree in Wildlife Conservation & Ecology and in Wildlife Biology

Who at Linn Co. influenced you the most and why?

The people who have influenced me at Linn County are Coach Collins and Coach Fields. They have influenced me by being a leader on the court or field and off there.

What is your favorite thing about Linn Co.?

The Sports

*"You have enemies? Good, that means you've stood up for something sometime in your life."
-Winston Churchill*

Activities:

Vo-tech, Art Club

Describe Yourself Using three Adjectives:

Talkative, Friendly, Spontaneous

Future Plans & Goals:

Go to a cosmetology school and get my cosmetology license.

What's your favorite thing about Linn County?

Everybody knows everybody.

Who at Linn Co. influenced you the most and why?

Coach Rex, Mrs. Jennings, and Mrs. Parn. They all make you strive for your best.

Katie Marie Dalis Hulett

All Conference Basketball

Congratulations Mustangs on a great season! All Conference awards go out to several players: Ty Stillwell, Player of the Year and 1st Team All Conference, Josh Allen, 1st Team All Conference, Bryar Bookout and Maci Hullinger, 2nd Team All Conference, and Kerstin Wilson, Honorable Mention.

News From Mrs. Gray

It's hard to believe that spring is right around the corner. The school calendar has many events on it from now until the end of the year.

The varsity basketball season is about to come to an end. Spring baseball will soon begin. The academic bowl season will be getting started soon also.

Thank you for your continued support of the Linn County School and I look forward to seeing you at the many upcoming events.

Valentine Parties

The elementary held their Valentine Parties on Thursday, February 14th. The students each made their own valentine boxes to bring to school. There were some very creative students. The students exchanged valentine cards within their classrooms, had snacks, and participated in games. We would like to thank everyone that was able to come out and make the parties a success!

Parent/Teacher Conferences

Parent/Teacher Conferences will be held on Thursday, March 14th. The conferences will be held from 1-4:30 p.m. and from 5:30-8:00 p.m. The teachers will take a supper break from 4:30-5:30 p.m. These conferences are not scheduled so come visit with your child/children's teachers during the allotted times. We hope to see you then.

Linn County In-School Spelling Bee

The Linn County school spelling bee consists of the top 5 spellers from 4th, 5th, and 6th grades. The spelling bee will take place on Thursday, March 21st at 1:30 p.m. in the Linn County gymnasium. Everyone is invited to attend. The top two spellers from each grade will then move on to the county spelling bee which will be held at Marcelline on Tuesday, April 30th. Good luck to all that participate.

Fifth/Sixth Grade Basketball

The fifth and sixth grade students have been busy preparing for their basketball season. The basketball season for fifth and sixth grade takes place mostly during the month of March. Linn County will host a fifth/sixth grade tournament during the week of March 24th-March 27th. Our tournament is being held on Sunday-Wednesday this year because of school being dismissed early on Thursday, March 28th

and no school on Friday, March 29th due to spring break. Please come out and support the young athletes.

Boxtops

Thank you to everyone that collected and sent in boxtops. PTO turns the boxtops in and receives money in return. Please start collecting for next year. Kindergarten and 5th grade were the top collectors for this year and both grades enjoyed an ice cream sundae party.

From the Library

Change in Math Trophies--

This year we will award Match trophies (small, medium large) for those elementary students who master 60, 80 and 100 Accelerated Math Objectives, respectively.

What is Accelerated Math? This program is from the same company (Renaissance Learning) that does Accelerated Reader book quizzing. Students are assigned math objectives (2-column addition, decimal conversion, counting by 5's, etc.). Pencil and paper practices are printed out, students do the problems, and scan their answers into a math reader, using a "bubble card." The answers go directly to the company's computer where they are scored and a new practice is automatically printed here at the school.

The computer keeps track of their correct and incorrect answers. When they have answered enough correct, consecutive answers, the teacher can print a test. Through the tests, students master the Missouri math objectives for their class level (also Common Core). They can receive a soda at lunch for every 10 they master. Trophies are awarded at the end of the year. Grades 2-5 participate in the trophies. This program is used in Grades 1-8, but is available through Calculus.

The beauty of this program is that students can forge ahead at their own pace, or review concepts that they are still struggling with. Students in grades 2-5 have Accelerated Reader "class" once a week in the elementary library. There are approximately 100-150 objectives per grade level that can be learned. Questions? Contact Mrs. Shanks. You can see your child's AR and Accelerated Math progress from the school home page under library. Log on with their log-in. They all know what that is.

LC FFA Week

The Linn County R-1 FFA Chapter was very busy during National FFA Week 2013. The members started out by traveling to Snow Creek, in Weston, Missouri. Twenty-nine members, three chaperones, and Mrs. Foster went skiing, tubing and snowboarding and fun was had by all. Hours after we returned, twenty of us met in official dress and attended church in Browning, followed by lunch in Brookfield.

When we returned to school on Tuesday, many of us were decked out in our camo and brown duck apparel. The next day was quite a difference. It was FFA Official Dress Day and we looked dashing in our blue corduroy jackets. The Greenhands (first year FFA members) dyed their hands green and every single one of them wore their official dress proudly. Many FFA members helped present the Food for America programs to the elementary students. Students learned about corn from the beginning seed stage to the products it is in. The FFA members showed them how to make corn plastic from basic household items. Of course, this was a very basic plastic that dried to a powder, but it was the looks on their faces when they got to touch it and realized it all came from corn. We also celebrated the Greenhand and Chapter FFA Degree recipients Wednesday evening. We hosted a ceremony just for the first and second year members who earned their Greenhand or Chapter FFA Degrees throughout this past year. Parents, members and guests joined us for a wonderful ceremony and cake and punch afterwards.

Unfortunately, we did not have school the Thursday and Friday of FFA Week, so a later report will have to come on those events. We have rescheduled Farm Vehicle/Tractor Logo Day for March 6 and the FFA Breakfast and FFA T-Shirt Day for Thursday, March 7. The breakfast will take place from 6am to 8am with that same menu as advertised. We hope to see you there!

Submitted by Chapter Officers

Skyler Creason, Shaina Russell, Lauren Russell, Tim Coram, Destinee Cordray, Sydney Moore, Brittini Buswell, and Taylor Coram at the top of the tubing hill.

Brooklyn Murrell, Krista Ratliff, Skyler Creason, Ariel Search, Shaina Russell, and Lauren Russell pose on the road between the lodge and the tubing hill. Some were headed to the warmth and some to the excitement of the tubing hill.

Lauren Russell, Skyler Creason, Tristen Creason, James Davis, Cameron Creason, and Alec Finney pose after skiing or snowboarding down one of the more difficult hills.

Kimberly Taylor, Hannah Hoskins, Lauren Russell, Tristen Creason, Cammie Ward and Brittni Buswell present one of the six Food for America Programs put on in the elementary by the Linn County R-1 FFA Chapter during FFA Week 2013.

Corn Plastic made by elementary students during the Food for America Program presented by the Linn County R-1 FFA Chapter on Wednesday of FFA Week.

Lauren Russell teaches the pre school students about corn in their daily lives and shows them how plastic made with corn starts out, during the Food for America Program.

Preschool Classes for 2013-2014

We are trying to get the names and addresses of prospective preschool students for the 2013-2014 school year. We will still be having our screening in early May, which is a time to see how ready the students are for preschool. This enrollment will give us the names and addresses of prospective students and parents so that we can mail them information about the screening when that time comes. We will also get information we can use now in planning for the instruction of the students next year. **Openings will be filled first by 4 year old students, any extra spots may be filled by 3 year old students.**

To enter preschool a child must be 3 years of age before August 1, 2013. Please mail this form back to Mrs. Gray at Linn County R-I, P.O. Box 130, Purdin, MO 64674.

Kindergarten Students for 2013-2014

We are trying to get the names and addresses of prospective kindergarten students for the 2013-2014 school year. We will still be having our kindergarten roundup in late April, which is a time to see how ready the students are for kindergarten. This enrollment will give us the names and addresses of prospective students and parents so that we can mail them information about the roundup when that time comes. We will also get information we can use now in planning for the instruction of the students next year.

Notes From The Nurse

Immunization Requirements for 2013-2014 School Year.

STUDENTS ENTERING KINDERGARTEN need a second dose of varicella (chickenpox) vaccine.

If the kindergarten child has had varicella (chickenpox) disease, a licensed doctor of medicine or doctor of osteopathy (DO) may sign and place on file with the school a written statement documenting the month and year of the previous varicella disease as satisfactory evidence of having had the disease. Parental or guardian statements of disease will no longer be accepted. Please visit with your physician or the nurses at County Health to see if your child needs any of his/ her 4-6 year old immunizations.

PRESCHOOL Students will need:

1. Age appropriate pneumococcal conjugate vaccine (PCV) for children attending preschool.
2. For all children who have had varicella (chickenpox) disease, a licensed doctor of medicine (MD) or doctor of osteopathy (DO) may sign and place on file with the child care facility a written statement documenting the month and year of previous varicella disease as satisfactory evidence of having had the disease. Parental or guardian statements of disease has not been acceptable since July 1, 2010.
3. All preschool students will need to be up-to-date with their immunizations and provide the school with record of proof of immunizations before being able to attend school.
4. Missouri Legislation requires that all children age 6 months to 6 years attending a licensed daycare or preschool program provide documentation of a **recent lead screening. This test must have been done within the last year.** If a parent/guardian refuses to have the child tested, they must provide a written statement explaining why they do not want the child tested.

Attention All 7th Grade Students/ Incoming 8th graders

Tdap, which contains pertussis vaccine, is required for students enrolling in the eighth grade for the 2013-2014 school year. State health regulations dictate that students cannot attend school unless they are properly immunized and can provide satisfactory evidence of the immunization or unless they are exempted. Documentation of immunization must include month, day, and year of administration. There is no grace period for compliance to state requirements. If your child is not in compliance they will not be allowed to attend school in the fall. We need proof of immunization before school starts.

Linn Co. R-1 and the Linn Co. Health Department are working together and have scheduled a Immunization clinic for 7th graders. Linn Co. R-1 will take students by bus to Linn Co. Health Department the day of the immunization clinic on March 22, 2013. A consent form from Linn Co Health was sent home with students on January 18th and parents will need to complete the form and return it to the school prior to March 15th. If your student did not make it home with a form please call me and I will send another form home with your student.

If you have any questions, please call me at 244-5035.

Sarita Coffman R.N.

Linn Co. R-1 School Nurse

Free Vision Screening

I am very happy to announce that the Linn Co. R-1 School is in the process of scheduling the free auto refractive vision screening for children 6 months to 6 years of age in our school district and includes our current students in Preschool, Kindergarten, and 1st grade. The Missouri Lions Eye Research Foundation will be conducting the free screening. This screening involves taking a scan of your child's eyes with the Plus Optix auto refractor.

Auto refraction vision testing can detect the presence of six possible eye disorders, nearsightedness, farsightedness, astigmatism, anisometropia (equal refraction), strabismus (misaligned eyes) and cataracts. All of these conditions if left undetected can or may lead to Amblyopia (blurred or lazy eye). Amblyopia can be successfully treated if detected early.

The screening requires no physical contact with your child, parents can hold the child during the screening and poses no risk to their health. A trained technician will conduct the vision screen, and you will be notified of the results. This is to be considered a preliminary procedure, and does not constitute a diagnosis of vision problems. The costs of this program are being covered by the Missouri Lions Eye Research Foundation.

Benefits of Amblyopia Vision Screenings

- All screenings are performed by trained technicians
- Screenings are completely non-invasive
- Screenings will not disrupt classes, technicians require just a darkened room and two to three minutes of a child's time
- The Foundation will provide educational materials and consent forms for parents to sign prior to the screening
- All children screened receive a results card
- Parents are encouraged to schedule an eye exam if any vision abnormalities are found.
- At our last screening, 4 children were referred and all needed glasses to correct a found condition. It is so much easier on a child to have the problem corrected before they fall behind due to a vision problem.

We encourage anyone with a child 6 months to 6 years in the Linn Co. R-1 District to contact the school and let us know that you would like for your child to participate in this free vision screening. The Lions will be here at 12:30 pm on March 7th. If you know any children 6 months to 6 years that live in the district please have them call to set up an appointment. Please call 660-244-5035 to set up your child's appointment for the free vision screening or if you have any questions.

Registration Deadline: 5/3/13

College Visit Days

Seniors! Don't forget you have two college visit days to use this year. Make plans to use them to tie up any loose ends before you graduate. In order for them to count as visit days, the correct forms must be completed and turned into me before you leave!

Receiving Scholarships

If you have received any scholarship, make sure you let me know so you can be recognized at the awards assembly and at graduation. This includes scholarships that the college itself awards you. You deserve the recognition, let it be known!

Understanding the financial aid process can be hard, and you may not know where to turn for answers. The financial aid section of each college's website is a good starting point. If you don't find answers there, call the financial aid office. Here are 15 questions to ask:

1. What types of financial assistance do you offer: need-based, merit-based, or both?
2. Can you provide an early estimate of what my student's financial aid award might be?
3. If my child doesn't qualify for need-based aid, what alternative financing options are available?
4. What percentage of your student population receives financial aid?
5. How much does an average student owe on student loans when he/she graduates?
6. What forms are needed in order to apply for financial aid?
7. When are financial aid applications due?
8. What costs for my student are considered by the financial aid office?
9. What is included in the comprehensive fee?
10. When will my student be notified about the amount of assistance he or she can expect?
11. Is there a commitment for financial assistance beyond the first year?
12. If not, how and when does my student apply for financial assistance after the first year?
13. What grants, loans, and work-study opportunities does the college offer?
14. Can my student apply financial aid toward an off-campus study program, either in the US or another country?
15. What happens if our family's financial situation changes substantially during the school year?

SAR & EFC: Student Aid Report & Expected Family Contribution

Student Aid Report (SAR) Intro:

After completing your FAFSA, you should receive your SAR in 1-3 days if you filed electronically or 2-3 weeks if you filed a paper version. Check immediately for: EFC (upper right pg 1) and any mistakes or errors (pgs 5-8).

What is the Student Aid Report:

The SAR is a summary of the information you entered on the FAFSA. The SAR also notifies you of your Expected Family Contribution (EFC) and if you are eligible for a Pell Grant.

Why is the SAR important:

Your SAR is the form that tells you how much student aid you are eligible to receive from the federal government, and how much the government expects your family to pay.

What happens after I receive my SAR:

Immediately check for any mistakes or errors. Any colleges you listed on your FAFSA will also receive a copy of your SAR. Notify your prospective school's aid office immediately to make corrections. A delay could mean less aid.

What if I don't receive my SAR?

Call 1-800-433-3243 if you do not receive your SAR in 3-4 weeks.

Highlights of each page of the SAR:

(1). Intro: tracks the aid process for you. (2). Confidentiality info: includes other formal reminders. (3). EFC, other info: EFC is listed at the top, along with other information, such as issues affecting your aid eligibility. (4). Summary of loans: as a high school student, you probably do not have any loans yet. If you haven't taken out any loans, the totals should read zero. (5-8) FAFSA Summary: review the summary. Make corrections or changes in the spaces provided. You can also make changes online at www.fafsa.ed.gov.

How is the EFC calculated:

The US Department of Education uses the Federal Methodology to calculate your aid eligibility. The FM takes into account: your family's income, the number of family members (in college or not), net value of assets, and your enrollment status, among other factors.

Why is there an asterisk next to my EFC:

It means you have been selected for verification and must provide documents to your prospective college(s) to verify the information submitted on the FAFSA. About 1 in 3 are selected. If there is no asterisk, you have not been selected.

What should I do if I was selected for verification:

If your college asks for verifying documents, send them as soon as possible to avoid a delay in the aid process.

Upcoming Scholarship Deadlines -

- 02/27/2013 Lambda Chapter of Delta Kappa Gamma** - Senior girls enrolling in an accredited college, majoring in a field related to teaching, qualify. Applications can be found outside Mrs. Kehr's office. Completed applications are to be mailed to Terri Willard, 1604 Morningside, Chillicothe, MO 64601
- 03/01/2013 Frances G Thorne PEO** - This scholarship is available to senior girls. Applications are located on your student drive. Return completed application to Mrs. Kehr by March 1st.
- 03/01/2013 MAMIC (Farmers Mutual Insurance Co.)** - Eight-\$1000 scholarships statewide to MO high school seniors (one in each MAMIC district). The scholarship is for any high school senior advancing to college, regardless what field of study they are pursuing. Seniors or their families are not required to be policyholders of the local Farmers Mutual Ins. Applications are outside Mrs. Kehr's office. Completed applications need to be mailed to PO BOX 218 Meadville, MO 64659.
- 03/01/2013 MAMIC (Chariton County Mutual Insurance Co.)** - Eight-\$1000 scholarships statewide to MO high school seniors (one in each MAMIC district). Applications are outside Mrs. Kehr's office. Completed applications need to be mailed to 404 Main Street, Mendon, Missouri 64660 before March 1st.
- 03/07/2013 Farm Kids for College Scholarship** - Majoring in an agricultural field of study, application must be received in their office on or before March 7. Scholarship is available on the student drive.
- 03/15/2013 Chariton County Mutual Insurance Company** - One \$250 scholarship will be given to a senior at Linn County R-I. The applicants do not have to be residents of Chariton County to receive this scholarship. The completed application needs to be returned to their office by March 15th. 404 Main Street, Mendon, Missouri 64660. This scholarship application can be found outside Mrs. Kehr's office.
- 03/15/2013 Missouri Bankers Foundation Scholarship** - Students should be planning to enroll in a full-time course of study leading to a major in a field related to banking. The application form must be signed by an officer of a Missouri Bankers Association member bank. Applications are available on your student drive.
