During my junior year at the academic assembly when I was walking off the stage I slipped and broke my sandal.

### 6th Grade Field Trip

On October 7, 2011, the sixth graders took their annual trip to Hannibal, MO. It was a gorgeous day for sightseeing. The first stop was Mark Twain Cave. The students learned about the cave's formation along with its history of hiding outlaws like Jesse James. Next they

rode the Mark Twain Boat. As they cruised up and down the Mississippi River, the students enjoyed their Shirley Temple drinks. Their final destination was the Downtown Museum. The students completed a scavenger hunt while viewing

the exhibits. The day ended with a quick run up to the lighthouse and back again. The sixth grade class would like to thank the PTO for helping with the expense. Also a big thanks to the parents who helped with the trip.

## News from Ms. Ward

It is hard to believe we have already completed the first quarter of school. I felt that first quarter went very well. I would like to encourage all parents to be involved with your students' work. Many of the elementary classrooms have daily assignment sheets that are brought home and grades 6-12 are issued a planner to use to write down assignments and activities for the year. These items will help keep you updated on what the students are working on in each subject area.

We have many activities going on around the school in the weeks ahead. You can check the calendar online to keep up with the many activities that take place. The junior high boys and girls basketball teams are in full swing. Please come out and support our teams.

Thank you parents, community members, fans and patrons of the Linn County School District for making the Linn County School a great place to be.

### **Veteran's Day**

In observance of Veteran's Day, the Linn County R-1 administration, faculty, staff, and students would like to invite all Veterans to have lunch with us on Friday, November 11, 2011. The Veteran's may come anytime between 11:00 a.m. and 12:30 p.m. for lunch. The Linn County R-1 Band will perform for the Veteran's in the gymnasium beginning at 11:40 am. We encourage all Veterans to come enjoy lunch and to listen to the band with the faculty and students. If you would like to eat lunch with us on November 11th, 2011, please call 244-5035 and let Candi Ward, Phyllis Wilson, or Pam Biggs know so the kitchen staff will know how many extra people to prepare for. The elementary students have created posters in honor of Veteran's Day.

Those posters will be displayed in the hallways. If your family has any Veterans or knows any Veterans, please extend this invitation to them. **MIM (Missouri Integrated Model)**

The MIM Leadership Team met from 3:30 p.m. to 5:00 p.m. on September 26, 2011 at Linn County R-1 School. The team reviewed the 2011 Summer MIM Conference and scheduled progress monitoring. Progress monitoring dates are: November 28th, January 23rd, March 26th, and April 30th. The February meeting will be on February 27th. There was discussion on data team training. It was decided to focus on training after Christmas since we are currently involved in unwrapping power standards to the Common Core State Standards (CCSS). The new action plan for the upcoming year was reviewed, and there was discussion on the implementation of the items in the new plan. There are webinars available for A+ Learn Anywhere and Study Island training for staff. The students from last year need to be graduated, and third grade students need to be added to Study Island. The Northeast RPDC will be contacted to schedule trainings for our half day Professional Development days. There was discussion about the Common Core State Standards. The goal for having all power standards aligned to the CCSS and unwrapped is December 2011. Rigor is going up for these new standards. Kindergarten and first grade teachers should already be looking at the standards, as their students will be the first classes to take the assessment that will be developed.

The next meeting will be October 24th. The team will plan for the November meeting and choose staff surveys for the year. The team will

also be preparing for the regional MIM meeting on November 2nd. Our Leadership team will be hosting this meeting at the Linneus Community Center.

### **PLC**

The PLC committee met with members from Truman RPDC in September. This meeting helped the Leadership team gain a focus for the 2011-2012 school year. The day was spent working on MAP/EOC data that the faculty will use to guide instruction. The PLC Leadership team attended a regional meeting held at Truman in October. The training included listening to many other PLC schools present various activities that were taking place in their schools. We were able to pick up several good ideas to bring back to our school. The PLC leadership team has also been busy preparing for the professional development day on October 19th.

PLC meeting October 19, 2011 Linn County R-1 Gymnasium  
The Linn County R-1 teaching staff met on 10/19/11 and the meeting was opened with a discussion about a listening survey that was sent out to teachers. The faculty and staff also discussed collective commitments that will show our commitment to the Linn County R-1 Mission and Vision statements. The faculty and staff worked on district smart goals for math and communication arts. After finishing with the smart goals, the teachers met with their collaborative teams to work on aligning power standards with the new Common Core State Standards.

**A huge thank you to all those that helped with the Halloween parties and that attended parent/teacher conferences. We appreciate your continued support!!**

## Autobiographies from CA 8

### Reagan Briegel

My life started when I was born premature on March 23, 1998 at 6:05 p.m. at Wright Memorial Hospital in Trenton, MO. My parents' named me Reagan Leann Briegel. As a baby, I was very small; I weighed 4lbs 6oz. When I was a year old my appendix busted and I had to be taken to Children's Mercy in Kansas City, MO, where I stayed for a week. After I was released I went home. Then, about two months later I returned to get my stitches out on my 2nd birthday. That night for my birthday I was reunited with my mom, dad, 2 sisters, and 3 brothers. Growing up, I lived on a family farm outside of Trenton. I lived there for at least 4 years before I went into head start. In head start I learnt to count, say my ABCs, and write my name. After head start my parents got divorced, I then went to live with my mom in Spickard, MO where I was enrolled into kindergarten. I also followed out my first grade year in Spickard. The year I finished first grade I moved to Princeton for my 2nd and 3rd grade years. The end of my 3rd grade year we moved to the Lake of The Ozarks, where I went to 4th, 5th, and 6th grade. As those three years passed by, my step-dad and I weren't getting along so good. I then decided to move in with my dad in Browning, MO, where I am living now. I hope to continue school at Linn County R-1 until the end of my senior year in 2016. For my first couple years of college I have chosen to go to NCMC (North Central Missouri College) in Trenton. After at least two years in Trenton, I plan to continue going to a college with higher standards. After college I want to get a good job as a pediatrician, and then I've decided to find a good man, get married, have children, and buy a big house.

As my life goes on, the older I get, I could become a grandma. I will be a really ancient and valuable antique but, I still want to live long enough to see my grandchildren graduate. I don't ever want to kick the bucket.

### Kiley Stillwell

My life all started July 20, 1998 at 4:00 in the afternoon. I was born in Kirksville, MO. My parents were going to name me Brittany but instead they picked Kiley Nicole Stillwell. When my mom and I were released from the hospital we went to our home in Purdin, MO. We have recently moved to Browning, Mo, where I live this very day. Your 2004 Little Miss Missouri Princess is... Kiley Stillwell! I was six years old when I won my state's pageant. I traveled everywhere in the state. I met KC Wolf; if you don't know who that is it's the Chief's mascot. I got to be in four different parades. I also got to pet all the Clydesdale horses. That was the most exciting year of my life. My school is very little. I started pre-school at Linn County R-1 in the year of 2001. Ever since then I've went through elementary and I'm in my 10th year of school now, which is 8th grade. My favorite class is English class with Ms. Diehl. I will graduate in the year of 2016. I'll graduate with some of my best friends whom I do everything with. Megan Schreiner, Taylor Coram, and I are playing on a traveling softball team and also playing for our schools basketball team. After graduating out of high school, I'd like to attend the University of Missouri in Columbia, Missouri. I would like to continue playing softball throughout col-

lege. I haven't decided what I wanted to be yet, but I have three careers in mind. One of the careers would be an elementary teacher in the city. Another career I might choose is to be a veterinarian. The last career choice I have in mind is to become a receptionist. I've chose three of these careers because I love to work with kids, animals, and working with computers and phones, but my career choice is still undecided. A big event after I graduate is to eventually get married and have two boys. Girls are just too much drama!

This is the story of my life and future. My name is Kiley Nicole Stillwell. I was born on July 20, 1998 at Northeast Regional Medical Center at four in the afternoon. I moved from Purdin to Browning, MO. I won Little Miss Missouri Princess in 2004. I go to Linn County R-1 and will eventually graduate from here. I play softball and basketball with my friends. I plan on going to college at the University of Missouri and to continue playing softball. I want to either become an elementary teacher, a veterinarian, or a receptionist. I want to get married and have two boys, but for right now, I'm a 13 year old girl, still in middle school, enjoying just being a teenager.

### Taylor Coram

My life all started the day I was born. May 20th, 1998 in Kirksville, Mo, when I was held, for the first time by my dad! My parents couldn't decide what my name was going to be so my cousin Brooke decided to name me Taylor McKenzie Coram. I first lived in Browning, Mo. I still live in Browning, but at a different and a bigger house with my dad, mom, my brother Cody and my sister Carson. When I was little and it was time for

me to start school I didn't go to all of preschool. I only went to the first part of preschool then I started kindergarten at Linn Co. R-1, and still go there today. I will hopefully finish out my high school years at Linn County R-1, with all my friends! My family has helped me a lot in school and life! They have supported me in all my dreams and goals since I was little and started play softball with my friends. My friends and I have been playing softball since we were 4 or 5. I still play softball to this day. Megan, Kiley, my cousin Stormy and I are on a traveling softball team called the Hurricanes! We are awesome at softball! All three of us put together can play every position on the field. I hope I'm good enough to play softball at University of Missouri. I hope to be able to keep my grades up in college and still play softball and be studying to become a veterinarian or a photographer. I'm not sure what I want to be yet. I love working with animals, except snakes or spiders! They freak me out! Whenever I see one I scream and run as fast as I can in to the house or somewhere there aren't any around me. I love taking pictures of.....anything I can find! I have been taking pictures of my little sister Carson, she's so cute in pictures! So hopefully I can decide what I want to become before college starts. But I'm just in 8th grade so I have awhile. After college I hope to get married to a good man who can help support the family and knows how to work on a farm, and if he doesn't we're going to have lots of problems! Then hopefully have two or three children someday. I would like to live in a small town and have a ranch of my own! (:

### **Sydney Moore**

Before I was even born I gave my parents many scares. From do I have a twin? To, do I have heart trouble? And even after I was born, does she need surgery for her broken arm that looks like a Z? On May 30, 1998 I was born in a Columbia Hospital. When I was born I was approximately a month and four days early and a day after I was born I was diagnosed with Pneumonia.

After I was born, I lived in Purdin, Missouri, with my parents. When I was 3 my parents separated. At the age of five my parents were divorced. At 8 years old, I moved to Linneus, Missouri with my mom, Andy, Levi, and my dog Snickers. Only a year after we moved to Linneus, I decided to take gymnastics with my friend Megan. On our 3rd practice, we were doing running round offs and I broke my arm. I don't remember much except, opening my eyes and seeing my arm, shaped like a Z, and Megan's eyes as big as my stomach! Yes, as big as my stomach!

I have gone to Linn County R-1 all my life and I plan on going there all throughout high school. I play many school sports such as, basketball, softball, and I also run track. My favorite moment playing sports would have to be, when my 4x2 relay team got first at conference. We were all super excited! I also hope to go to college to be a radiologist or a pastry chef. I have not decided which college I want to attend, but I do want the college that has the best education for my career.

After I graduate college with my master's degree, I want to get married to the love of my life. After I get married and settle down in a nice home, I want to have two children with my husband. I will push

my children to get good grades in school, to be social, and play sports. I hope my kids have a special bond with their dad, just like I do. My favorite childhood memory with my dad is when he took me hunting for the first time. I shot an eleven point buck. I think my dad was more excited than I was! Not only do I want my children to have a bond with their dad, but also with me. My mom has done so much for me. She has taken me to every sporting event that I have. She is the best mom in the world! So, thank you Mom! Many exciting events have happened in my life and I hope many more are to come. Many things in life will bring me up and put me down, but I will have family and friends that will ALWAYS be there for me. I will always live by these two mottos, "If you say you can't, you won't.", and "If you set your mind to it, you can accomplish anything!"

### **Britane Hubbard**

My life began in the hospital at Macon, MO. Britane Suzzane Hubbard is my full name and unlike most people my middle name doesn't really bother me. I lived in Macon for most of my infant years and when I was 1½ my sister Krista was born and when Krista was 1½ my other sister Cheyenne was born.

I started kindergarten at the New Cambria school and when I was in 1st grade I moved to Linneus and started going to Linn County R-1. I've lived in Linneus ever since then. I'm currently in 8th grade and I hope to finish school here at Linn County. After I finish high school I hope to get into a good college, like UCLA or MU. I want to go to college to become a marine biologist because I love the ocean and animals. When I graduate college I hope to get a job somewhere awesome and start my

## FFA News

### Linn County R-1 FFA Attends Leadership Conference

The Linn County R-1 FFA attended the Area III Leadership Conference on September 14th, 2011. They arrived at 4:30 pm at the Schuyler County High School. Ten members were present: Ariel Rinehart, Kaitlin Liebhart, Hannah Hoskins, Brittini Buswell, Lauren Russell, Cammie Ward, Mindy Hayes, Dylan Harvey, Derek Wilson, and Skyler Creason. They competed in the official dress competition and attended the poverty dinner as well as some speeches. The Area III officers also performed a skit. During the poverty dinner they each received a note card with their "class" on it. They were asked to sit according to "class" and learned about world hunger. National FFA Vice President from the Central Region, Wyatt DeJong of South Dakota, attended and presented a speech to the members about life. He used his experience of tagging a baby calf with a mean momma cow to show how opportunity may only show itself one time, so take ahold of it! Also presenting was State FFA President Brady James from Knox County. He used the story of his expectations for his first day of college classes compared to what actually happened to show us how we should always keep an open mind and be willing to step outside our boxes. It was a great 2011 Area III Leadership Conference. Submitted by Lauren Russell, Chapter Reporter

life. Once I have a job I want to get married and later have kids. I may be a dreamer but I know that with hard work you can accomplish almost anything and by knowing that I think I can make my future worthwhile.

#### Shaina Russell

It was January 13, 1998, when I was born. I was born in Chillicothe Missouri. I completed a family of six. My mom was 29 years old. My dad was 31 years old. I had three older sisters Jordan, Shelby, and Lauren. We lived in Linneus Missouri. Jordan and Shelby went to school at Linn County R-1. My dad worked construction, while my mom stayed at home with Lauren and me.

Later, when I was five I started kindergarten at Linn County R-1, with my three sisters. I had a lot of fun learning how to count and memorizing the alphabet. I also enjoyed playing with my friends at recess, on the playground. Today I am an eighth grader at Linn County R-1. My sister Lauren is in tenth grade. My sisters Jordan and Shelby both go to University of Missouri in Columbia. My mom is 43 and works at a bank. My dad is 45 and he still works construction. I plan to graduate from Linn County R-1, and go to college at University of Missouri in Columbia along with my sisters.

After I graduate I would like to become a teacher. After I become a teacher, I would like to get married. After I get married I want to start my own family. I want to live close to my family and friends so I can visit them whenever I want. I want to become a very successful person, and live a good life.

Linn County FFA Members attended the Area III Leadership Conference at Schuyler County High School. Left to Right: Hannah Hoskins, Brittini Buswell, Lauren Russell, Cammie Ward, Kaitlin Liebhart, Skyler Creason, Mindy Hayes, Derek Wilson, Dylan Harvey, Lucas Woodside, Ariel Rinehart.

Lucas Woodside and Skyler Creason wait for directions in a workshop at Area III Leadership Conference.

## Linn County R-1 Petting Zoo

On September 17th, 2011, the Linn County R-1 FFA chapter held a Petting Zoo during the Purdin Fall Festival. It began at 11:00 am, to 2:00 pm. Their animal included: Donkeys with a week and a half old babies, a sheep, baby chicks raised by FFA officer Mindy Hayes, baby kittens, and dogs. They also participated in the parade held at 1:00 pm. It turned out to be a great success for kids of all ages!

Megan and Emily Schreiner work with the Jerusalem Donkey so children can pet it while its baby and the sheep eat from the hay pile.

Mrs. Foster, FFA advisor, hands a kitten to one of the children who participated in the petting zoo at the Purdin Fall Festival, while the sheep noses around the cat carrier.

Courtney Johnson holds the sheep for the kids to pet.

## Linn County R-1 FFA Officer Team, "The Master Grillers"

The Linn County FFA Officer Team headed to the Linneus Community Center on September 9, 2011 to BBQ for the Grand River Mutual Customer Appreciation Lunch. The Linn County FFA Officer Team supplied BBQ grills, utensils and "master" grillers for the occasion. They started cooking and helped set up starting around 10am. The lunch of hamburgers, hot dogs, vegetables, chips and cookies was served from 11am to 1pm. It was a great success and the officer team gained valuable practice at team work and public relations. The GRM made a donation to the chapter, which will be used to purchase new FFA banners to be hung in the agriculture education building at Linn County R-1.

Kaitlin Liebhart, Mindy Hayes, and Lauren Russell show off their grilling skills at the GRM BBQ.

**Linn County R-1 FFA Trap Team**

The Linn County R-1 FFA Trap Team attended the Macon Trap Shoot on September 2nd, 2011. Skyler Creason, Tristen Creason, Lucas Woodside, Anthony McCollum, and Jacob Wood were the participants. At this shoot they scored a 97/125.

During the MYSSA Shoot at Linn Creek, MO on September 13, 2011, Jeremy Frazier, Marc Jungles, Jacob Wood, Tristen Creason, and Skyler Creason shot a 430/500 on their team score. Marc Jungles earned his 25 patch for shooting a 25/25 during one round.

This year's trap team members consist of: Mindy Hayes, Hannah Hoskins, Marc Jungles, Lucas Woodside, Tristen Creason, Jacob Wood, and Skyler Creason. They attend practice once a week at Harvey Rileys in Bucklin.

Their next shoot is the Area Trap Shoot on September 27th, at Macon, MO. Districts will be held on October 1st, at Katonka, in New London, MO.

Trap Team members were rewarded with a trip to Buffalo Wild Wings for shooting a 430/500 at the MYSSA Shoot. From Left to Right, Skyler Creason, Jacob Wood, Jeremy Frazier, Marc Jungles, and Tristen Creason.
