November 2018

The Preschool class enjoyed their field trip to Uptown Farms Pumpkin Patch and Corn Maze! The students were able to go on a hay ride, explore the pumpkin patch with a scavenger hunt, find their way through a corn maze and a hay maze, play in the corn pit, and see some animals. Each student picked out a pumpkin to take home! The class would like to thank the school for giving us the opportunity to take this trip, Mr. Livingston for driving the bus and joining us, and Uptown Farms for our fun day!

News from Mrs. Gray

It is hard to believe we have already completed the first quarter of school. The first quarter went very well. I would like to encourage all parents to be involved with your students' work. Many of the elementary classrooms have daily assignment sheets that are brought home and grades 6-12 are issued a planner to use to write down assignments and activities for the year. These items will help keep you updated on what the students are working on in each subject area. Also, you can keep up to date with grades, fines, etc. by using the parent portal through SIS online. Students will also be able to keep up to date with their grades soon through the SIS system

We have many activities going on around the school in the weeks ahead. You can check the calendar online to keep up with the many activities that take place. The Junior High boys' and girls' basketball teams are in full swing. Please come out and support our teams. I would like to thank all parents, community members, fans and patrons of the Linn County School District for your continued support of our school.

Veterans Day

In observance of Veteran's Day, the Linn County R-1 administration, faculty, staff, and students would like to invite all Veterans to have lunch with us on Friday, November 9th, 2018. The Veteran's may come

anytime between 11:00 a.m. and 12:00 p.m. for lunch. The assembly honoring Veterans will begin at 12:30 pm in the gymnasium. If you would like to eat lunch with us on November 9th please call 244-5035 and let Candi Gray, Phyllis Wilson, or Pam Biggs know so the kitchen staff will know how many extra people to prepare for. If your family has any Veterans or knows any Veterans, please extend this invitation to them.

A HUGE THANK YOU TO ALL THOSE THAT HELPED WITH THE HALLOWEEN PARTIES AND THAT ATTENDED PAR-ENT/TEACHER CONFERENC-ES. WE APPRECIATE YOUR CONTINUED SUPPORT!!

Band and Choir Success

The Marching Mustangs have had a successful marching season so far! The band placed 1st at the Marceline Homecoming Parade, participated in the Truman Homecoming Parade, and placed 3rd at the Trenton Marching Festival. The Chillicothe Holiday Parade on November 17th will mark the end of our marching season for the year. I am so proud of this group's accomplishments!

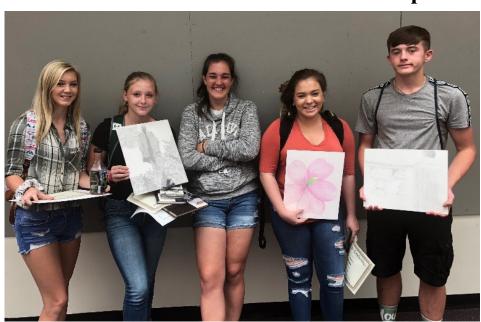

The Linn County R-1 Choir participated in the Tri-County Conference Choir on October 14th and 15th. These students spent 4 hours rehearsing on the 14th and then performed concerts at 3 different schools in the conference on the 15th. The students sang in a group consisting of students from several schools in the conference. It was a fun couple of days, and a good learning experience!

7th Grade Field Trip

The seventh grade of Linn County R1 visited the National WW1 Museum and Memorial on Wednesday, September 19, 2018. It was a warm sunny day for a trip into Kansas City. The tour began at 8:30am on a clear walkover with a poppy field below. Students learned the significance of the poppy for WW1 soldiers. Many artifacts were viewed along with informational movie clips. General John J. Pershing and Walt Disney's personal involvement was shared by the docent. A big thank you to the Brookfield Elks # 874 for sponsoring the trip.

Art on the Spot

Lainey Miller, Jaden Lester, Jenna Hoerrmann, Missy Stanphill and Cody Murrell

Truman State University hosted the 1st annual Art on the Spot Day for the Tri-County Conference Schools on Friday, September 19th. Schools in attendance; Atlanta, Bevier, Brashear, Green City, LaPlata, Linn Co., Meadville, and Novinger. It was an extraordinary experience for all the students participating. The students were given two and half hours to create a piece of artwork from observation. Each artist was given the freedom to walk around and set anywhere on campus to find inspiration for their project. Once the time ran out all art work was submitted and displayed in the Atrium Gallery in Ophlia Parrish. Art work was judged and ribbons

were handed out in each category: pencil, painting, watercolor, charcoal, pen and ink, mixed media and color drawing. Art supplies were given to the first place winners in each category. Truman also sponsored a Best of show, which awarded one student a \$400.00 art scholarship.

Jaden Lester, 1st place in Charcoal Division with her drawing of founder Joseph Baldwin. Jaden also received the Best of Show award and received Scholarship worth \$400.00.

Lainey Miller, 2nd place in the Drawing Division with her graphite drawing of the entrance to Baldwin Quad. Melissa Stanphill, 3rd place in the Color Division with her Oil Pastel Drawing of an Impatiens.

CONGRATULATIONS TO ALL FIVE STUDENTS ON A JOB WELL DONE! I AM VERY PROUD OF EACH ONE OF YOU!

Fourth Grade Field Trip

the Museum Gallery, Huckleberry Finn House, Becky Thatcher House, and the J.M. Clemens Justice of the Peace Office. Then,

the students walked through the Mark Twain Cave and learned about its formation and history. After lunch, they cruised up and down the Missouri River on the Mark Twain Riverboat. Finally, before heading home, they made a quick run up to the lighthouse and back again. 488 steps!! 4th Grade would like to thank the PTO for helping with the expense. THANK YOU!!

News From Mr. Livingston

It is hard to believe we have already completed the first quarter of school. Overall, the first quarter went very well. I would like to take this opportunity to encourage all parents to be involved with the education of your children.

We have many activities that will be going on around the school in the weeks ahead. Jr. High Basketball is over halfway through the season; Varsity Basketball has already started practice. The Jr. High Homecoming game and Junior class supper was a success. It was nice to see so many people support the girls and boys as well as the Junior class.

The refinished gymnasium floor here at school has received many compliments. The gym floor was sanded and repainted this summer

and turned out very nice. A couple of other changes you may notice around the school are the remodeled restrooms and the new chain link fence at the ball field.

The Veterans Day Assembly will take place on November 9th. Veterans are invited to eat lunch any time between 11:00 a.m. and 12:00 p.m. The assembly will start at 12:30 in the school gymnasium. I always enjoy visiting with our local veterans and greatly appreciate their service to our country.

Thank you to the community members, fans and patrons of the Linn County School District for making Linn County R-1 School a great place to be. I invite everyone to come out and support our school. Thank you,

Mr. Livingston

Conference Awards

Congratulations to the following Linn County softball and baseball players on their all-conference awards:

Chadley Waltz, First Team Cody Murrell, Second Team Olivia Bright, Second Team

Second and Third Grade Field Trip

On September 28, second and third grade students ventured to the Old Harvest Festival in Chillicothe for their yearly field trip. We saw a story teller, butter churning, corn shucking, tasted homemade root beer, watched a blacksmith, and ended the day with a hay ride. The classes had a great day.

FFA News

The Linn County FFA Chapter held a kids petting zoo October 10 in the HS Ag Shop. FFA members exhibited their supervised agricultural experience animals for the elementary students to enjoy and learn about. Animals exhibited at the petting zoo included: pigs, cows, sheep, goats, chickens, turkeys, quail, ducks, and dogs.

The Linn County FFA Chapter would like to thank Smithfield, Orschelns, and Chad Gooch for donating items to the petting zoo in order for it to be a great success.

Parents/Guardians:

Our district is required to inform you of information that you, according to the Every Student Succeeds Act of 2015 (Public Law 114-95), have the right to know. Upon your request, our district is required to provide to you in a timely manner, the following information:

- Whether your student's teacher has met State qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction.
- Whether your student's teacher is teaching under emergency or other provisional status through which State qualification or licensing criteria have been waived.
- Whether your student's teacher is teaching in the field of discipline of the certification of the teacher. Whether your child is provided services by paraprofessionals and, if so, their qualifications.
- In addition to the information that parents may request, a building receiving Title I.A funds must provide to each individual parent:
- Information on the level of achievement and academic growth of your student, if applicable and available, on each of the State academic assessments required under Title I.A.
- Timely notice that your student has been assigned, or has been taught for 4 or more consecutive weeks by, a teacher who has not met applicable State certification or licensure requirements at the grade level and subject area in which the teacher has been assigned.

PARENT/FAMILY INVOLVEMENT IN INSTRUCTIONAL AND OTHER PROGRAMS

The Linn County R-1 School District Board of Education believes that engaging parents/families in the education process is essential to improved academic success for students. The Board recognizes that a student's education is a responsibility shared by the district, parents, families and other members of the community during the entire time a student attends school. The Board believes that the district must create an environment that is conducive to learning and that strong, comprehensive parent/family involvement is an important component. Parent/Family involvement in education requires a cooperative effort with roles for the Department of Elementary and Secondary Education (DESE), the district, parents/families and the community.

Parent/Family Involvement Goals and Plan

The Board of Education recognizes the importance of eliminating barriers that impede parent/family involvement, thereby facilitating an environment that encourages collaboration with parents, families and other members of the community. Therefore, the district will develop and implement a plan to facilitate parent/family involvement that shall include the following six (6) goals:

- 1. Promote regular, two-way, meaningful communication between home and school.
- 2. Promote and support responsible parenting.
- 3. Recognize the fact that parents/families play an integral role in assisting their children to learn.
- 4. Promote a safe and open atmosphere for parents/families to visit the schools their children attend, and actively solicit parent/family support and assistance for school programs.
- 5. Include parents as full partners in decisions affecting their children and families.
- 6. Use available community resources to strengthen and promote school programs, family practices and the achievement of students.

The district's plan for meeting these goals is to:

- 1. Provide activities that will educate parents regarding the intellectual and developmental needs of their children at all age levels. This will include promoting cooperation between the district and other agencies or school/community groups (such as parent-teacher groups, Head Start, Parents as Teachers, etc.) to furnish learning opportunities and disseminate information regarding parenting skills and child/adolescent development.
- 2. Implement strategies to involve parents/families in the educational process, including:
 - < Keeping parents/families informed of opportunities for involvement and encouraging participation in various programs.

- < Providing access to educational resources for parents/families to use together with their children.
- < Keeping parents/families informed of the objectives of district educational programs as well as of their child's participation and progress within these programs.
- 3. Enable families to participate in the education of their children through a variety of roles. For example, parents/family members should be given opportunities to provide input into district policies and volunteer time within the classrooms and school programs.
- 4. Provide professional development opportunities for teachers and staff to enhance their understanding of effective parent/family involvement strategies.
- 5. Perform regular evaluations of parent/family involvement at each school and at the district level.
- 6. Provide access, upon request, to any instructional material used as part of the educational curriculum.
- 7. If practical, provide information in a language understandable to parents.

Title I, Migrant Education (MEP) and Limited English Proficiency (LEP) Programs

The Board also recognizes the special importance of parent/family involvement to the success of its Title I, MEP and LEP programs. Pursuant to federal law, the district and parents will jointly develop and agree upon a written parental involvement policy that will be distributed to parents participating in any of these programs.

Title I Program Parent Involvement

The district and parents of children participating in the Title I program will jointly develop and agree upon a written parent involvement policy that will describe how the district will:

- 1. Involve parents in the joint development of the Title I program plan and in the process of reviewing the implementation of the plan and suggesting improvements.
- 2. Provide the coordination, technical assistance and other support necessary to assist participating schools in planning and implementing effective parental involvement activities to improve student academic achievement and school performance.
- 3. Build the schools' and parents' capacity for strong parental involvement.
- 4. Coordinate and integrate Title I parental involvement strategies with those of other educational programs.
- 5. Conduct, with the involvement of parents, an annual evaluation of the content of the parental involvement policy and its effectiveness in improving the academic quality of the schools

served. This will include identifying barriers to greater participation by parents in activities authorized by law, particularly by parents who are economically disadvantaged, have disabilities, have limited English proficiency, have limited literacy, or are of any racial or ethnic minority background. The district will use the findings of such evaluation to design strategies for more effective parental involvement and to revise, if necessary, the parental involvement policies.

6. Involve parents in the activities of the schools served.

Each school receiving Title I funds will jointly develop with and distribute to parents of children participating in the Title I program a written parental involvement policy agreed upon by such parents in accordance with the requirements of federal law:

- 1. The policy must be made available to the local community and updated periodically to meet the changing needs of parents and the school.
- 2. The policy shall contain a school-parent compact that outlines how parents, the entire school staff and students will share the responsibility of improved student academic achievement and the means by which the school and parents will build and develop a partnership to help children.
- 3. Each school participating in the Title I program will convene a meeting annually to inform parents about Title I and to involve parents in the planning, review and improvement of Title I programs, including the planning, review and improvement of the school parental involvement policy.

Migrant Education Program Parent Involvement

Parents of students in the MEP will be involved in and regularly consulted about the development, implementation, operation and evaluation of the Migrant Education Program.

Parents of MEP students will receive instruction regarding their role in improving the academic achievement of their children.

Limited English Proficiency Program Parent Involvement

Pursuant to federal law, parents of LEP students will be provided notification regarding their child's placement in and information about the district's LEP program.

Parents will be notified of their rights regarding program content and participation.

Policy Evaluation

The district, with parent/family involvement, will review and evaluate the content and effectiveness of this policy and each school-level policy at least annually. The district will revise this policy as necessary to improve or create practices that enhance parent/family involvement.

COORDINATION WITH OTHER FEDERAL, STATE, AND LOCAL PROGRAMS

Sections 1112(a)(1)(B), 1114(b)(5)
